Did not want the hassle of arranging a windscreen chip repair via insurance company and like to do things myself so decided for £7 it was worth a go at doing the repair myself. I had 3 x bullseye type stone chips all just under a pound coin in size, 2 of them in drivers view and I could not stop focusing on them when driving so they had to be sorted out or the windscreen replaced.

Manual transmissions can improve fuel economy, they generally last longer, require less maintenance, create less heat, sap less horsepower, and are typically less expensive and easier to repair and rebuild than their automatic counterparts. I once sunk a manual transmission into a swamp and it still worked for quite a while, although it was filled with water. An automatic instantly stops ...
